## About Me

Resourceful professional with successful track record in developing innovative web designs and features. Possesses solid knowledge of HTML, CSS, Javascript and Bootstrap with ability to quickly learn new technologies. Demonstrated success in identifying and resolving complex code issues. Detail-oriented team player with strong organizational skills. Ability to handle multiple projects simultaneously with a high degree of accuracy.

## Experience

### No Experience

I have graduated recently, therefore I don't have experience in companies, but I do have experience working on projects in REACTJS by myself

### Najot Talim 2023

- Planned and completed group projects, working smoothly with others.
- Maintained schedule of class assignments to meet deadlines.
